

LCD/TFT Cleaner

Description:

Special cleaning spray (PUMP) for TFT screens, laptops, flat bed scanner screens. Also suitable for use on PDA and LCD screens, screen-free filters and all treated and untreated glass surfaces eg. mirrors, OHP screens and lenses. Before application, please refer to the manufacturers cleaning instructions.

Application: Before cleaning switch the LCD off and wait for it to cool. Spray the liquid on a lint-free cloth, wipe over the area to be cleaned and then polish with a dry cloth. The liquid is not flammable and is free of alcohol. Anti-static characteristics.

CLASSIFICATION:

- Non-flammable

CAN SPECIFICATION:

- 250 ml Pump

CAUTION:

Keep out of the reach of children. Do not breathe spray. If swallowed, seek medical

advice immediately and show this container or label. Use only in well-ventilated areas. Contains perfume, d-limonene, phenoxyethanol.
