

CMMS SR209

CMMS SR209

9-Port DC 12V Professional CCTV Power Supply

[Zoom the picture](#)

Features

- **Independent PTC fuse and LED indicator for each output port**
- **Short Circuit Protection**
When short circuit condition occurs, individual PTC fuse will open the circuit. When the short circuit condition is cleared, PTC fuse will automatically back to close status.
- **High Voltage Protection**
When high voltage condition occurs, the surge protector will regulate the voltage to protect the connected device.
- **Over Current Protection**
When over current condition occurs, the power supply will automatically switch to self-protection mode. When the over current condition is cleared, power supply will switch back to normal mode.

Specifications

| | |
|--------------------------------------|---------------------|
| Model | CMMS SR209 |
| Input Voltage | AC 176V - 264V |
| Input Frequency | 50Hz - 60Hz |
| Output Voltage | DC 12V \pm 5% |
| Output Port | 9 |
| Total Output Current | 10A |
| Single Maximum Output Current | 2A |
| adjustable output power | 10.6 - 13.6V |
| Dimensions (W \times H \times D) | 205 x 245 x 90 (mm) |
| Weight | 2.2KG |

Application

CCTV Camera, CCTV Surveillance Equipment.
